Table S1

Published reports of humpback whales from the central Indian Ocean not included in this study.

Source	Location	
Brown (1957)	Central Indian Ocean	Fig. 4: five sightings of humpback whales from merchant ship observers in the area immediately north of Maldives.
Slipper <i>et al.</i> (1964)	0–10°N, 70–80°E	Fig. 15: one individual sighted September 1953.
	0–10°N, 70–80°E	Fig. 19: one calf, presumably with mother, January.
	10°S–20°N, 70–90°E	Chart 5: sightings in eight months of the year; text suggests animals seen in northern winter migrate to and from the North Pacific.
Mörzer Bruyns (1971)	West coast of India	Chart 15: presence of both northern and southern populations; chart and text suggest migration to North Pacific via Indonesia.
Wray and Martin (1980)	West coast Sri Lanka	Page 228: one humpback reported in 1846 whaling logbook, probably from the northern winter.
Reeves <i>et al.</i> (1991)	Mullaitivu, Sri Lanka	'Frequent sightings by fishermen' in the 1950s and 1960s reported to authors by G.H.P. DeBruin in 1985.
Debelius (1999)	Trincomalee, Sri Lanka	Photographs of humpback whales, labelled from Trincomalee, but location and other details cannot now be confirmed (Helmut Debelius, pers. comm. to RCA, email 11 Feb 2021).
Anderson <i>et al.</i> (2012)	SW of Maldives	One acoustic recording made during voyage of <i>Odyssey</i> from Seychelles to Maldives in December 2002, but details subsequently lost.
Sutaria (2018, 2019)	Kanyakumari, Tamil Nadu, India	Singing whales reported by fishermen (interview surveys).

Table S2
Records of humpback whales in the central Indian Ocean.
