Editorial	iii
Index for Vol.14	v
L.J. HAMILTON AND K. LINDSAY – Beaked whale strandings on the coast of Australia in comparison to those of other cetaceans.....	1
J.G. MORITA AND J.C. GEORGE – Age classification of bowhead whales using recursive partitioning.....	15
A.J. READ, S. BARCO, J. BELL, D.L. BORCHERS, M.L. BURT, E.W. CUMMINGS, J. DUNN, E.M. FOUGERES, L. HAZEN, L.E. WILLIAMS HODGE, A.-M. LAURA, R.J. MCALARNEY, P. NILSSON, D.A. PABST, C.G.M. PAXTON, S.Z. SCHNEIDER, K.W. URIAN, D.M. WAPLES AND W. A. MCLELLAN – Occurrence, distribution and abundance of cetaceans in Onslow Bay, North Carolina, USA	23
T. BOUVEROUX, R.B. TYSON AND D.P. NOWACEK – Abundance and site fidelity of bottlenose dolphins in coastal waters near Panama City, Florida.....	37
S.M. RANDAGE, A. ALLING, K. CURRIER AND E. HEYWOOD – Review of the Sri Lanka blue whale (<i>Balaenoptera musculus</i>) with observations on its distribution in the shipping lane.....	43
T.K. BOYE, M. SIMON AND L. WITTING – How may an annual removal of humpback whales from Godthaabsfjord, West Greenland, affect the within-fjord sighting rate?.....	51
M.E. BAINES AND M. REICHELDT – Upwellings, canyons and whales: An important winter habitat for balaenopterid whales off Mauritania, northwest Africa	57
J.T. GREENMAN AND W.E. MCFEE – A characterisation of common bottlenose dolphin (<i>Tursiops truncatus</i>) interactions with the commercial shrimp trawl fishery of South Carolina, USA.....	69
A.E. PUNT – A summary history of the application of statistical catch-at-age analysis (SCAA) to Antarctic minke whales.....	81
A.E. PUNT, T. HAKAMADA, T. BANDO AND T. KITAKADO – Assessment of Antarctic minke whales using statistical catch-at-age analysis (SCAA)	93
J.O. HAMPTON, P.R. MAWSON, D.K. COUGHRAN AND S.D. VITALI – Validation of the use of firearms for euthanising stranded cetaceans	117
J.P. VAN DER ZEE AND A.E. PUNT – Evaluating critical dispersal rates for whale management under the IWCs Revised Management Procedure: An application for North Atlantic common minke whales.....	125
W. FRANKLIN, T. FRANKLIN, N. GIBBS, S. CHILDERHOUSE, C. GARRIGUE, R. CONSTANTINE, L. BROOKS, D. BURNS, D. PATON, M. POOLE, N. HAUSER, M. DONOGHUE, K. RUSSELL, D.K. MATTILA, J. ROBBINS, M. ANDERSON, C. OLAVARRIA, J. JACKSON, M. NOAD, P. HARRISON, P. BAVERSTOCK, R. LEAPER, S. BAKER AND P. CLAPHAM – Photo-identification confirms that humpback whales (<i>Megaptera novaeangliae</i>) from eastern Australia migrate past New Zealand but indicates low levels of interchange with breeding grounds in Oceania.....	133
N.T. SCHMITT, M.C. DOUBLE, S. BAKER, N. GALES, S. CHILDERHOUSE, A.M. POLANOWSKI, D. STEEL, R. ALBERTSON, C. OLAVARRIA, C. GARRIGUE, M. POOLE, N. HAUSER, R. CONSTANTINE, D. PATON, C.S. JENNER, S.N. JARMAN AND R. PEAKALL – Mixed-stock analysis of humpback whales (<i>Megaptera novaeangliae</i>) on Antarctic feeding grounds	141
J. MATTHEWS – Method for estimating sperm whale abundance from an acoustic strip transect survey with a two-element towed hydrophone.....	159
L.J. HAMILTON AND K. LINDSAY – The relation of coastal geomorphology to larger mass strandings of odontocetes around Australia	171
