Welcome to this the twenty-first volume of the *Journal of Cetacean Research and Management*. This volume contains 14 papers covering a wide range of issues relevant to the conservation and management of cetaceans and the work of the IWC Scientific Committee.

To submit a manuscript to the Journal, please contact in the first instance Jessica Rowley at [jessica.rowley@iwc.int](mailto:jessica.rowley@iwc.int).

More information for authors is available online at <https://journal.iwc.int/index.php/jcrm/about/submissions>.

This Journal is Open access and freely available online.

We are pleased to announce that the Journal has a new Editor, Iain Staniland, who took up the post in the first half of 2020. The outgoing Editor, Greg Donovan, wishes to thank all those who over the years have helped him keep the Journal up and running and on the straight and narrow, in particular the members of the Editorial Board, Section Editors, external Reviewers and all the Publications staff at the IWC Secretariat headquarters.
